KitchenAid Unveils Vibrant, Colorful Metal Bakeware Collection

KitchenAid, the most trusted brand in baking for over 100 years, announces the launch of its official, licensed colorful metal bakeware collection. The bakeware is offered in 11 distinct shapes, each available in 6 official KitchenAid colors that match the iconic stand mixers and non-electric kitchen tools and gadgets. The colors – Beetroot, Blue Velvet, Contour Silver, Ink Blue, Mineral Water Blue, and Pistachio – were meticulously curated by the same color and design experts behind the KitchenAid stand mixers and countertop appliances, adding a touch of artistry to every kitchen.

Crafted to endure the demands of everyday cooking and baking, the pans are constructed from nonstick, oven-safe, heavy-duty aluminized steel, ensuring even heat conduction and efficient baking. Wide handles provide a secure grip for easy transport from oven to countertop, eliminating interference with oven mitts. The pans are treated with a special Swiss-made nonstick, PFOA- and PTFE-free coating for scratch-resistance, temperature stability, and lasting performance. The strong, durable pans are dishwasher-safe to streamline cleanup, allowing more time for culinary creativity.

The collection includes: 9x5-inch Loaf Pan, 12-cup Muffin Pan, 24-cup Muffin Pan, 9x13-inch Cake Pan, 9-inch Round Cake Pan, 9-inch Square Cake Pan, 9x13-inch Baking Sheet, 10x15-inch Baking Sheet, 13x18-inch Baking Sheet, 13x18-inch Cookie Slider, and 10x15-inch Cookie Slider. Available on [Amazon](https://www.amazon.com).

The **KitchenAid 9x13-inch Baking Sheet**, **10x15-inch Baking Sheet**, and **13x18-inch Baking Sheet** are perfect for making cookies, bars, jelly rolls, sheet cakes, or one-pan meals. Highly durable, these nonstick, oven-safe, heavy-duty aluminized steel pans stand up to high heat and feature uniquely designed rims to prevent warping. They evenly distribute heat for consistent baking results and have extended handles that provide a secure grip for easy transport. Dishwasher safe.

The **KitchenAid 13x18-inch Cookie Slider** and **10x15-inch Cookie Slider** are perfect for making cookies, pastries, pizza, roasted veggies, or one-pan meals. The sloped edge makes the transfer of food from the pan to a cooling rack effortless. Highly durable, these nonstick, oven-safe, heavy-duty aluminized steel pans stand up to high heat and feature uniquely designed rims to prevent warping. They evenly distribute heat for consistent baking results and have extended handles that provide a secure grip for easy transport. Dishwasher safe.

The **KitchenAid 9-inch Round Cake Pan** and **KitchenAid 9-inch Square Cake Pan** are perfect for making layer cakes, casseroles, quiches, and macaroni and cheese. Highly durable, these nonstick, oven-safe, heavy-duty aluminized steel pans stand up to high heat and feature uniquely designed rims to prevent warping. They evenly distribute heat for consistent baking results and have extended handles that provide a secure grip for easy transport. Dishwasher safe.

The **KitchenAid 9x5-inch Loaf Pan** is perfect for making bread, cakes, meatloaf, and casseroles. Highly durable, this nonstick, oven-safe, heavy-duty aluminized steel pan stands up to high heat for all your baking needs and features a uniquely designed rim to prevent warping. It evenly distributes heat for consistent baking results and has extended handles that provide a secure grip for easy transport. Dishwasher safe.

The **KitchenAid 9x13-inch Cake Pan** is perfect for making cakes, brownies, casseroles, and roasts. Highly durable, this nonstick, oven-safe, heavy-duty aluminized steel pan stands up to high heat for all your baking needs and features a uniquely designed rim to prevent warping. It evenly distributes heat for consistent baking results and has extended handles that provide a secure grip for easy transport. Dishwasher safe.

The **KitchenAid 12-Cup Muffin Pan** and **24-Cup Muffin pan** are perfect for making evenly sized and shaped muffins, cupcakes, and egg bites. Highly durable, these nonstick, oven-safe, heavy-duty aluminized steel pans stand up to high heat and feature uniquely designed rims to prevent warping. They evenly distribute heat for consistent baking results and have extended handles that provide a secure grip for easy transport. Dishwasher safe.
