## SKYWORTH's Award-Winning Portable Companion™ Display | Google TV Player

### Goes from Work Mode to Entertainment Seamlessly

- *A Versatile Display for Both Professional and Personal Use: 24-inch Display featuring Google TV, 1080p Full HD, 3-Hour Rechargeable Battery, Matte-Screen Anti-Glare Panel, and More –*

**LAS VEGAS, January 8, 2025** – SKYWORTH's breakthrough **Companion Portable™ Display | Google TV (24P100)** (SRP: \$399.00) is a versatile addition to its Lifestyle Series of TV and Display products. It is a bold new solution in “anywhere, anytime” entertainment and work applications. The 24-inch Companion is a stunningly designed, lightweight display that re-imagines and redefines the TV form factor. Its effortless portability, clear and crisp visuals, and long-lasting battery life make it an ideal entertainment companion and work display for indoor and outdoor use.

A fusion of convenience and style, the Companion Portable™ is the perfect option for at-home use in a kitchen, patio, kid's room, or on the road. It also serves as a great presentation display, allowing users to transition between professional and personal needs seamlessly. With its leather strap, it can easily be moved to watch programming outside your home or taken on the road for tailgating or camping trips—no more watching the game off someone's phone.

### Companion Portable Display Key Features:

- **Portability with Stunning Visuals and Audio:** The 24" 1080P FHD display features an anti-reflective matte screen and 2-channel Dolby Audio 8W Front Speakers.
- **Long-Lasting Battery Life:** A 3-Hour Lithium-Ion Battery is designed for uninterrupted viewing. It includes an AC adapter for the home and works with a 12-volt car and RV adapter for the road.
- **Exceptional Industrial Design:** The elegant, premium design features a leather strap for easy portability and an aesthetically pleasing back cover with subtle blue and yellow ink-splattered particles.

- **Google TV:** This platform brings movies, shows, and more from across apps and subscriptions and organizes them just for the user.
- **Seamless Connectivity:** HDMI: 1, Composite: 1 (3.5mm dongle), Optical Audio Out: 1, USB: 1 (v2.0), Bluetooth Support: Yes (v5.0).
- **Other Features:** Dual-Band Wi-Fi (2.4GHz and 5GHz) and Built-in Chromecast. It also works with Amazon Alexa.
