Product Details:

OVERTONE's The Gloss Shine Reviving Treatment is your secret weapon for achieving healthy, radiant hair. Packed with 18 plant oils and extracts, this color illuminating gloss treatment is expertly formulated to hydrate, nourish, and impart shine, while helping to smooth and seal lifted cuticles for reduced frizz. Unveil softer, silkier, healthier looking hair after just one use!

Ingredients:

- **Moisturizing and Conditioning**
 - Argan Oil: Hydrates and softens hair.
 - Jojoba Oil: Provides nourishment and hydration.

- Monoi Oil (Coconut Oil + Tiare Flower Extract): Replenishes moisture and helps restore vitality.
- Prickly Pear Oil: Conditions and locks in moisture.
- **Shine and Smoothness**
 - Jasmine Flower Extract: Adds healthy-looking shine.
 - Cherry Blossom Flower Extract: Enhances shine and softness and promotes smooth-looking hair.
 - Bitter Orange Flower Extract: Adds luster and softness to hair.
 - Soybean Oil: Helps to nourish and add shine.
 - Silicone Alternative (PPG-3 Benzyl Ether Myristate): Boosts shine and helps restore radiance.
- **Strengthening and Repair**
 - Hydrolyzed Pea Protein: Helps to promote stronger, healthier-looking hair.
 - Hydrolyzed Vegetable Protein: Aids in improving hair elasticity and helps to repair damaged hair.
 - Hydrogenated Castor Oil + Sebacic Acid Copolymer (Naturally Derived): Helps to seal lifted cuticles, guard against cuticle damage, and repair split ends.
- **Color Protection and Enhancement**
 - Peony Flower Extract: Antioxidant properties help to protect hair color.
 - Damask Rose Flower Extract: Boosts color vibrancy.
 - Hydrogenated Castor Oil + Sebacic Acid Copolymer (Naturally Derived): Aids in improving color wash fastness for longer wearing color.
- **Frizz Control and Manageability**
 - Elder Flower Extract: Aids in improving hair manageability and softness.
 - Rice Bran Oil: Tames frizz for smoother-looking hair texture.
 - Amla Oil: Helps to improve the overall appearance of the hair.
- **Scalp Health**
 - Lavender Flower Extract: Helps to soothe and calm the scalp.
 - Grapefruit Seed Extract: Helps to balance and clarify the scalp.

Product usage:

For Intense Glossing Treatment & Pre-Wash Color Protection: Generously apply to dry hair from ends to roots. Leave on for 15-30 minutes—shampoo and condition as usual.

For Everyday Moisture & Shine: After shampooing hair, apply to wet strands as a conditioning and glossing treatment. Leave for 2-3 minutes, then rinse, dry, and style as usual.
