THE BAKING EXPERTS™

The [Chicago Metallic 7-Piece Nesting Bakeware Set](#) maximizes storage space in your cabinets with its clever space-saving design. All seven pieces of bakeware nest inside the roasting pan so you can neatly and compactly tuck it all away into a cabinet, drawer, or pantry. Crafted from heavy-gauge carbon steel, this set ensures even heat distribution for consistently delicious baked and roasted results. A nonstick coating (free from PTFE, PFOA, and PFOS) makes food release effortless and cleanup a breeze. The set includes a baking sheet, cooling rack, loaf pan, square cake pan, roaster, and two 6-cup muffin pans, covering all your baking essentials. Hand wash recommended. \$35, Amazon
