

The **Rabbit Jelly Shots Edible Cocktail Maker** turns your favorite cocktails into gourmet edible treats, perfect for parties, gatherings, and any celebration! This reusable, dishwasher-safe silicone mold creates 14 perfectly portioned jelly shots, delivering consistent, professional-looking results that wow your guests. The set includes 8 easy-to-follow recipes that put a twist on classic cocktails and mocktails (think margaritas, bellinis, pina coladas and more). Plus, the included spoons make unmolding and serving the jelly shots effortless. Whether you're hosting a backyard BBQ, birthday bash, or themed event, this edible cocktail maker adds a sophisticated, Instagram-worthy touch to your drink menu. It's also a great gift for hosts, mixology enthusiasts, and party lovers alike. Dishwasher safe for stress-free cleanup and fully reusable, the Rabbit Jelly Shots Edible Cocktail Maker is \$31. Available at Amazon, Williams-Sonoma, and Rabbitwine.com.
