

Meet clean, healthy water.

Award-winning water filtration, expertly engineered to reduce the maximum amount of contaminants.

A must for a healthy home.

At Aquasana, we believe clean water and a healthy environment are the most important components to healthy living and overall well-being. Our sole focus is providing best-in-class water filtration products so every home can enjoy healthy, great-tasting water.

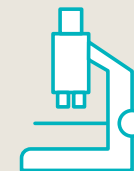

Better water, better you.

Max Contaminant Removal

Industry-leading results for your peace of mind.

Tested & Certified

Rigorous third-party testing certifies our contaminant-reducing power.

Nothing Added

No chemicals are added to your water during filtration.

Eco-Friendly

Ditch the disposable by bottling your own.

More Water for Less

Filtered at the most economical cost per gallon.

Pure Satisfaction

We're so sure you'll love us, we offer a 90-day guarantee.

5 Star Reviews

15,000+ five-star reviews from customers just like you.

Under Sink & Countertop Filters

Instantly transform ordinary tap water into clean, healthy water. Our award-winning Under Sink and Countertop filters are tested and certified to remove up to 99.99% of 90 contaminants — that's 15X more than the leading pitcher filter.

Peace of Mind

Get clean, healthy water by reducing contaminants including lead, PFOA/PFOS, microplastics, chlorine, pesticides and more.

Ultra Delicious

Remove contaminants while retaining beneficial minerals like calcium, potassium and magnesium for healthier, delicious water.

Water You Can Trust

All of Aquasana's Under Sink and Countertop filters are third-party tested and certified to NSF/ANSI Standards.

Eco-Friendly

Minimal disposable plastic parts and no more single-use plastic water bottles. Make a difference with this sustainable, eco-friendly solution.

Nothing Added

Rest easy knowing that no chemicals are added during the filtration process, and that the only thing in your water is water.

Your Culinary Secret

Filtered water produces more natural flavors for amazing results in the kitchen. Leave your friends wondering about your best kept secret.

Under Sink & Countertop Filters for Every Kitchen

No Installation Needed

Clean Water Machine

Our Clean Water Machine filters 78 contaminants, including lead and PFOA/PFOS, at the push of a button — no installation required. Each filter lasts for 300 gallons or up to six months, replacing the equivalent of 2,200+ plastic water bottles.

Starting at:

\$199.99

Use Your Existing Faucet

Claryum® Direct Connect

This easy-to-install, fast-flowing filter connects directly to your existing faucet to reduce 78 contaminants, including 99% of microplastics. Each replaceable filter lasts 784 gallons or six months, replacing the equivalent of 5,900+ plastic water bottles. DIY- and renter-friendly.

Starting at:

\$124.99

Use a Dedicated Faucet

Claryum® 3-Stage Max Flow

New and improved, fast-flow system now removes up to 99.99% of 78 contaminants, plus sediment. All-metal faucet comes in four finishes — Brushed Nickel, Chrome, Matte Black and Oil Rubbed Bronze. We also offer a “No Faucet” option so you can use your own. Each set of replaceable filters lasts 800 gallons or six months, replacing the equivalent of 6,000+ plastic water bottles.

Starting at:

\$224.99

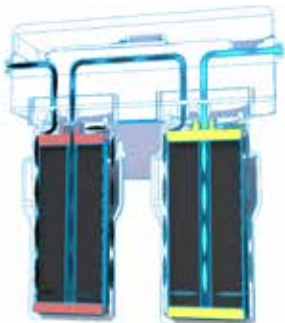

SmartFlow® Reverse Osmosis

Combines Claryum®, reverse osmosis and efficient SmartFlow™ technology to reduce 90 contaminants, including fluoride and arsenic. All-metal faucet available in Brushed Nickel, Chrome, Matte Black and Oil-Rubbed Bronze. Each set of filters lasts for 365 gallons or up to six months, replacing the equivalent of 2,750+ plastic water bottles.

Starting at:

\$199.99

Advanced Claryum® Technology = Healthy, Delicious Water

Claryum®’s selective filtration technology tackles harmful contaminants like lead, PFOA/PFOS and microplastics while retaining beneficial minerals – including calcium, potassium and magnesium – for healthier, more delicious water.

Shower Filters

Reduce over 90% of chlorine for softer skin and healthier hair with this fast-flow filter. The ultimate health and beauty gift.

Shower Filter with Handheld Wand

Enjoy healthier hair and skin by removing chlorine. Choose from white or upgraded chrome massaging handheld wand.

Starting at:
\$74.99

Shower Filter

Reduce over 90% of chlorine for softer, more moisturized skin and hair.

Starting at:
\$59.99

Shower Filter without Shower Head

Reduces more than 90% of chlorine for the freshest shower experience while using your existing shower head.

Starting at:
\$49.99

Healthier Skin & Hair

Reduce your exposure to harsh chlorine that can dehydrate and damage skin and hair.

Breathe Easy

Harmful chemicals evaporate in steam, contaminating the air. Instantly improve indoor air quality by filtering the water in your home.

Product Enhancing

Naturally enhance your bath products and hair treatments with filtered shower water. Save money by using less shampoo, conditioner and soap.

Whole House Filters

Make your entire home a healthy home. Whether your water is supplied by a city or a well, instantly transform ordinary water into cleaner, extraordinary water.

Ultra-Delicious

No chemicals are added during the filtration process, leaving you with only clean, great-tasting water throughout your home.

Breathe Easy

Harmful chemicals evaporate in steam, contaminating the air. Instantly improve indoor air quality by filtering the water in your home.

Better Water, Better Cooking

Filtered water produces more natural flavors for amazing results in the kitchen. Leave your friends wondering about your best kept secret.

Healthier Skin & Hair

Bathe yourself in filtered water for noticeably healthier, more moisturized skin and hair.

Rhino®

Keep the beneficial minerals while reducing chlorine from every tap.
