Smart Gifting + Effortless Decorating Starts Here

This season, it's not just about decking the halls—it's about controlling them. From twinkling trees to festively lit patios, GE Cync Indoor & Outdoor Plugs and Indoor & Outdoor Smart Strips make holiday magic effortless.

GE is a trademark of General Electric Company.
Used under trademark license.

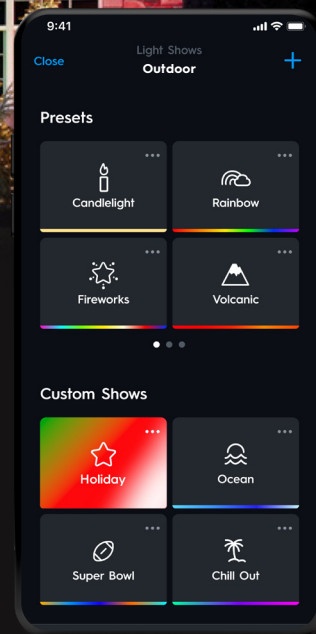

Cync Is a Holiday Must and a Great Gift!

Perfect For:

- The holiday host (lights on a schedule? yes please)
- The décor enthusiast (no crawling under the tree)
- The “did I leave that on?” friend (we all know one)
- The smart home newbie (easy entry, big impact)

Why Cync Belongs on Every Holiday List:

- App + voice control (Alexa and Google Assistant compatible)
- Custom schedules and automations (wake up to lights, come home to glow)
- Energy-conscious control (turn off what you don’t need—instantly)
- No hub required (simple setup, instant gratification)

GE Cync smart plugs and strips deliver simplicity, control and a little extra magic—whether you’re decorating or gifting. Interested in learning more or trying these products firsthand?
